

American String Teachers Association

Participate in ASTA's back-to-school membership drive and earn chances to win a silent violin from Yamaha!

Welcome back to a new academic year! We are pleased to announce a special promotion just for ASTA members. If you recruit a new or inactive ASTA member in a Professional, Dual, Student, Senior, Institutional, or String Industry Council category- each time you do-we will enter you in a drawing for an amazing prize-a silent violin!

Participating is easy. Just ask your recruit to simply write your name on the **printed application**, or provide the ASTA membership department your name if they are joining by phone. If the prospective member prefers to join online, please direct them to www.astaweb.com. They also must contact the ASTA membership department via email, membership@astaweb.com. This ensures your name is included in the drawing. The more members you recruit, the better your chances! Every new member results in another entry for the drawing.

Hurry-you must act fast! The special membership drive ends at midnight on November 18, 2013. The drawing will be held November 19, and the winner will be notified.

As an ASTA member, you know firsthand the great benefits of being part of a collegial network of string educators and performers. Help your friends and colleagues become a part of our ever-expanding strings community.

Before entering, please take a moment to read the sweepstakes rules below. For questions, you may contact Amanda Bernhardt via email, amanda@astaweb.com, or phone at [703-279-2113, ext. 14](tel:703-279-2113).

Thank you, and good luck!
