

South Carolina's Chapter of American String Teachers Association Presents

Double BASS

Join double bassists from across the state at Wade Hampton High School in beautiful Greenville, S.C. for the first annual Double Bass Workshop.

September 29-30, 2017

Wade Hampton High School
100 Pine Knoll Dr.
Greenville, SC 29609

Beginner level double bass students will develop foundational playing and performance skills while intermediate and advanced students will work on advancing their performance skills. All rehearsals will be led by master clinicians. The event will also include vendor exhibits for parents and students to explore, a guest performance for students, and an afternoon recital showcasing the students' hard work.
